

## Let's go for a whole rose bush...

There are so many different knitted roses...

T

I just had to add my own. Trouble is I wrote the pattern down on a serviette which was probably later used to wipe one of my kids noses...so I had to try again.

Well here goes...

Can you believe it, I found the serviette, shoved in the pages of one of my knitting books!

Go and have a look at the patternapedia, as I'm starting to copy it out.
